

Rapid emergence of primed wheat seedlings in Punjab, India.

Table 2. Results from on-farm trials of seed priming in wheat in South Asia, 1997-1999.

Site and year	No. of trials	Mean yield of non-primed plots (kg/ha)	Mean yield difference (primed minus unprimed) (kg/ha)	Mean yield increase due to seed priming (%)
Gujarat, India, 1997/98	108	4298	221	5
Gujarat, India, 1998/99	97	4200	187	5
East Chitwan, Nepal, 1998/99	9	2273	384	17
West Bengal, India, 1998/99	20	1224	162	13
Bihar, India, 1998/99	21	1209	152	13
Ahmadwala, Pakistan, 1998/99 (saline conditions)	20	1420	505	36
