(*Tagetes tenuifolia*) (Annual) Citrus scented/flavoured.

Purple Cone Flower : \$3.25

(*Echinacea purpurea*) (Perennial) Beautiful, medicinal. Echinacea is popularly believed to be an immunostimulator, stimulating the body's non-specific immune system and warding off infections and also being used as a laxative.

Feb 20, 2015

Flowers

Sea Holly : \$3.25

(Eryngium planum) (Perennial) Soft prickly, blue flowered. Attracts beneficial insects.

Snapdragon : \$3.25

(Antirrhinum majus) (Perennial) Mixed colours.

Viola, Fuji Dawn : \$3.25

Fuji Dawn Viola (*Viola mandshurica*) Free flowering, variegated foliage. Approx. 50 seeds per packet.

Yarrow, Red : \$3.25

(*Achillea millefolium*) (Perennial) Lovely red flower heads. Seeds can be slow to germinate, soak for 24 hours before planting.

Zinnia : \$3.25

(*Zinnia elegans*) (Annual) - Giant Zinnia. Mixed colours. Drought tolerant.

Flowers/Sunflowers

Ornamental : \$3.25

(*Helianthus annuus*) Mixed colours.

Flowers/Wildflowers

Aster, Showy : \$3.25

(*Aster conspicuus*) Wild perennial. Blue Flowers. Native peoples used roots as an antiseptic. Seed naturalized to Sunshine Farm.

Daisy, Arrow Park : \$3.25

(*Anthemis tinctoria*) Yellow. Excellent drought tolerant perennial. Seed naturalized to Sunshine Farm.

Feb 20, 2015

Flowers/Wildflowers

Lupin, Columbia Valley Wild : \$3.25

Columbia Valley Wild Lupin: Tall plant to 3', blue flowers, occasionally pink. Seed naturalized to Sunshine Farm.

Fruit

Aunt Molly's Ground Cherry : \$3.25

Physalis pruinosa Profusion of small sweet berries encased in papery husks. Sprawling plants to 3 feet. 70 days from transplanting. 50 seeds per packet.

Citron, Green Seeded : \$3.25

Green Seeded Citron (Citrullus lanatus var. citroides) From the Kelowna Seed Swap. Watermelon looking melon used for making a delicious preserve with honey/sugar lemon and ginger - a traditional Christmas treat. Stores well. Approx. 30 seeds per packet.

Ground Cherry or Cape Gooseberry/Poha : \$3.25

Annual (Physalis Peruvians) Ground Cherry or Cape Gooseberry AKA Poha. Upright ground cherry with loonie sized fruit. Pineapple-strawberry flavour with a hint of coconut. Approx. 50 seeds per packet.

Hearts of Gold Melon : \$3.25

Cucumis melo. 70-90 days Aromatic 2-3 lb fruits with sweet golden flesh. Reliable and productive. Heirloom from early 1900's. Approx. 30 seeds per packet.

Melon, Charentais : \$3.25

Small French melon, deep orange flesh, considered by many to be the tastiest of all melons.

Melon, Golden Midget : \$3.25

(Citrullus lanatus) Golden rind, red flesh, sweet watermelon to 3 lbs.

Melon, Isreal Ogen : \$3.25

C. melon. 80-90 Days. Beautiful sweet, pale green flesh. Intoxicating aroma. Approx. 30 seeds per packet.

Feb 20, 2015

Fruit

Melon, Minnesota Midget : \$3.25

Minnesota Midget Melon (*Cucumis melo*) 60-70 Days. Early variety, sweet, short vines. Productive, performed exceptionally well in the Okanagan Valley. Approx. 30 seeds per packet.

Sunberry : \$3.25

Sunberry (*Solanum burbankii*) 75 Days. Also known as 'wonderberry' developed by Luther Burbank, plant breeder genius. Small 1/4" berries. Good yield. Sweet, used for Pies and Jellies or just for snacking in the field. Approx. 200 Seeds per packet.

Grains

Millet, Dragons Claw : \$3.25

Dragons Claw Millet (*Eleusine sp.*)(approx 80 seeds) Unusual Millet with the heat that resembles the 'claws of a dragon'.

Quinoa, Multi Hued : \$3.25

Quinoa Seeds (*Chenopodium quinoa*) Quinoa ("keen-wa") Stands 5-6 feet tall and has vibrant flower colours, red through orange, yellow, purple and mauve. In midsummer, a large seedhead develops, loaded with millet-like seeds which can be harvested after the leaves have dried. Quinoa germinates in fairly cool conditions and prefers light, well-drained soil. Plant in rows and thin to at least a foot apart for maximum growth. Leaves are good fresh or cooked through spring and summer. Quinoa is 15-16% protein and is high in E and B vitamins, calcium, iron and phosphorous. It is easy to digest and has a delicious flavour. It must be thoroughly rinsed before cooking and is then prepared like rice. Approximately 200 seeds per packet.

Wheat, Marquis : \$3.25

Marquis Wheat (*Triticum aestivum*) Heritage wheat variety developed by crossing Hard Red Calcutta wheat with Red Fife. By 1920 it was the predominant variety in Canada. Early maturing variety.

Wheat, Red Fife : \$3.25

Red Fife Wheat (*Triticum aestivum*) Heritage breadwheat is a landrace so it has the genetic variability to adapt to local conditions. Grown in Canada since the 1840's.

Greens

Arugula, Ortania : \$3.25

Arugula, Ortania (Annual) (*Eruca sativa* varietal) Special Market selection of Italian Arugula, consistent growth and flavour. Approx. 500 seeds per packet.

Feb 20, 2015

Greens

Asian Greens : \$3.25

A salad or steaming mix of mizuna, mustard greens, bok choy, tat soi - nice quick spring crop - sow in late March or early September for fall crop. Approx. 800 Seeds per packet.

Ching Chiang : \$3.25

Brassica rapa 'Baby Bok Choi' 25 to 30 days. Fast, cold tolerant. Nice for steaming or grilling.

Corn Salad, Vilmorins : \$3.25

(Valerianella locusta) Classic French variety, great cool weather salad green with distinctive sweet flavour. Approx. 650 Seeds per packet.

Cress, shallot : \$3.25

Shallot Cress (Lepidium sp) Interesting spoon shaped leaves with a peppery oniony flavour. Nice in the spicy salad mixes. Prefers the cool of the spring or fall. Approx. 700 Seeds per packet.

Cress, Upland : \$3.25

(Barbarea verna) Piquant 6"-8" rosettes of dark green glossy deeply indented leaves. Slow to bolt. Approx. 600 Seeds per packet.

Kale, Red Russian : \$3.25

Cold hardy, frilly leafed, purple/pink veins. Delicious at any stage. Eat fresh or steamed. Also delicious as 'Kale Chips'.

Malva Crispa : \$3.25

(malva verticillata)(Biennial) Great hot weather salad green. Domesticated in China very early in agricultural development. To 7' tall. Approx. 200 Seeds per packet.

Mustard Greens, Golden Frills : \$3.25

Golden Frills Mustard Greens. (Brassica juncea) Lacy, fast growing, bright, light green leaves. Approx. 1000 Seeds per packet.

Mustard Greens, Green Frills : \$3.25

Green Frills Mustard Greens Beautiful delicate frilly leaves. Spicy flavour, but mild enough to be eaten raw. Approx. 1000 Seeds per packet.

Feb 20, 2015

Greens

Mustard Greens, Green Wave : \$3.25

Slow to bolt, frilly leaves, great when small for salad mix or bunches when larger. Spiciness diminishes when cooked. Approx. 1000 Seeds per packet.

Mustard Greens, Ruby Streaks : \$3.25

Ruby Streaks Mustard Greens. Beautiful deep burgundy lacy leaf with sweet spiciness. Colourful elegance. Approx. 1000 Seeds per packet.

Mustard Greens-Green : \$3.25

(Brassica juncea) (Annual) Nice steamed or wrapped around fish, or as baby greens. Approx. 1000 Seeds per packet.

Mustard, Giant Red : \$3.25

Giant Red Mustard (A)(Brassica juncea) Spicy purple/red leaves, beautiful as a baby in salad mix. Approx. 1000 Seeds per packet.

Orach, Red : \$3.25

(Artiplex hortensis) (45 Days to maturity)(Annual) Nice red Spinachy flavoured addition to salads.

Pepper Grass, Curly : \$3.25

Lepidium sativum Looks almost like curled parsley, nice spicy addition to salads or sandwiches. Rapid growing, harvest 2 weeks after sowing, keep clipped and succession plant for continuous supply.

Purslane, Golden : \$3.25

(Portulaca oleracea sativa) Large succulent leaves excellent source of omega 3, great in salad mixes.

Quillquina : \$3.25

(Porophyllum ruderale)(Annual) Culinary and medicinal from Bolivia, reminiscent of cilantro and arugula cross. Approx. 50 Seeds per packet.

Salad Mix, Savory : \$3.25

Salad Mix, Savory: Dill, chervil, arugula, lettuce, and mustard greens. A nice savory blend of flavours and shapes and textures. Approx. 700 Seeds per packet.

Feb 20, 2015

Greens

Salad mix, Spicy : \$3.25

Salad mix with peppergrass, mustard varieties, arugulas and lettuces. Approx. 700 Seeds per packet.

Salad mix, Spring : \$3.25

Early salad mix with mizuna, tatsoi, spinach, sweet mustard and lettuce mix. Approx. 700 Seeds per packet.

Salad Mix, Tangy : \$3.25

Tangy Salad Mix - Chives, lettuce, mustard greens, cress, arugula and cilantro. Wake up your taste buds with a spicy salad. Approx. 700 Seeds per packet.

Sorrel, Red Veined : \$3.25

(Rumex sanguineus) Interesting colour but lacks flavour. Chefs use as a colourful garnish. Use only when young.

Spilanthus Cress : \$3.25

(Spilanthis oleracea)(Annual) Also called the toothache plant, adds unusual zest to salads. Approx. .5 gram per packet.

Spinach, Malabar : \$3.25

(Basella alba) (Tender Perennial) Crunchy succulent with spinachy flavour, though not a spinach. Prefers hot weather, and to be trellised, prolific. Approx. 20 seeds per packet.

Greens/Spinach

Spinach, Bloomsdale : \$3.25

(Spinacia oleracea) 50 days to maturity. Standard for garden flavour excellence. Approx. 50 Seeds.

Spinach, New Zealand : \$3.25

(Tetragonia) Very nice warm weather type salad green or steamed green. Can be difficult to germinate, soak seed for 2 hours before planting. Approx. 50 Seeds.

Feb 20, 2015

Herbs

Ambrosia : \$3.25

(Chenopodium botrys) (Annual) Aromatic oak shaped leaves. Nice dried foliage.

Anise Hyssop : \$3.25

(Agastache foeniculum) Prolific, sweet licorice herb with striking blue flowers. Self seeds quite nicely.

Basil, Maui Lime : \$3.25

Nice pungent lime flavour. Found on Maui in January, 2012.

Basil, Mexican Wild : \$3.25

Mexican Wild Basil: Found by the roadside near Boca de Naranja, Nayarit, Mexico. Absolutely the fruitiest fragrance of any basil we've grown -- sweet and not pungent. Sunshine Farm Exclusive.

Basil, Seratta : \$3.25

Very beautiful leaves, ruffled and serrated, good culinary and very decorative. Approximately 500 seeds.

Bergamot - Lemon : \$3.25

(monarda citriodora) Beautifully pink tinged tea herb.

Bergamot, Wild : \$3.25

Wild Bergamot (P) (Monarda fistulosa) (.5 g per packet) Tall lavender flowers, attractive fragrant plant, good for teas. Approx. .5 gram per packet.

Borage : \$3.25

(Borago officinalis) (Perennial) Cucumber flavoured herb with star shaped blue flowers, great in salads.

Chamomile, German : \$3.25

(Matricaria recutita) (Annual) Probably the best for tea, a profusion of flowers, very aromatic.

Feb 20, 2015

Herbs

Chinese Motherwort : \$3.25

(Leonuris artemesia) Medicinal and decorative herb. Approx. 50 seeds per packet.

Chives : \$3.25

(Allium schoenoprasum) (Biennial) Traditional variety.

Cilantro : \$3.25

(Coriandrum sativum) Annual. Spicy herb used in Mexican and Thai cuisine. Attracts beneficials. Approx. 100 Seeds per packet.

Dill : \$3.25

(Anethum graveolens)(Annual) Mammoth, good salad garnish when young, and nice seed heads for making pickles. Large plant.

Black Aztec Corn (*Zea mays*) Original Aztec corn with a 2000+ year history. Great as a sweet corn in at the immature (milk) stage. 2-3 cobs per 6'-8' plant. Nice for dark corn flour when dried. Approx. 100 seeds per packet.

Corn, Golden Bantam : \$3.25

Golden Bantam Corn (DFP75+) Ancestor of many of the modern day hybrids. Has long been the standard open pollinated golden sweet corn variety. Approx. 100 seeds per packet.

Corn, Hopi Blue : \$3.25

Hopi Blue Corn (DFP 100+) Bushy 4' - 6' plants with several 5"-7" ears. Sweet blue kernels - Ancient corn variety. Nice as a sweet corn when immature (milk stage). 100+ seeds per packet.

Vegetables/Cucumbers

Armenian : \$3.25

Unusual, fuzzy fruits up to 50 cm. long. Sweet and delicious. (approx 30 seeds per package).

Gherkin, West Indian : \$3.25

Very interesting little 5 - 8 cm. 'soft prickly' cucumber. Sweet, novel, keep picked when young to keep productivity. Approx. 40 seeds per packet.

Marketmore Cucumber : \$3.25

Marketmore Cucumber. classic long 8"-10" green field cucumber. Very productive.

Northern Pickling Cuke : \$3.25

48 Days, Standard Pickler. Short Productive Vines - keep picked to maximize crop - give plants plenty of compost. Approx. 30 seeds per packet.

Feb 20, 2015

Vegetables/Cucumbers

Spacemaster Cuke : \$3.25

50 Days. Minimum 45 seeds. Light skinned 'bush' variety

Tondo di Manduria : \$3.25

Very tasty round cucumber from Italy, sweet, crisp, bush variety. Keep picked to tennis ball size and smaller. (approx 30 seeds)

Vegetables/Eggplant

Bianca a Uovo : \$3.25

White oval, looks like an egg, great for roasting. Approx. 50 seeds per packet.

Black Beauty Eggplant : \$3.25

Days from planting 75. Traditional large black oval fruits. Approx. 50 seeds per packet.

Early Green Eggplant : \$3.25

Days from planting - 65. Vigorous plant. Productive, round green fruit. Approx. 50 seeds per packet.

Golden Egg Eggplant : \$3.25

Solanum melongena Productive 5-7 cm. diameter white to golden eggplant on sturdy plant. Absolutely delicious roasted whole in a little olive oil. Variety originally from New Zealand.

Long Green : \$3.25

(70 - 80 Days to maturity) (55 seeds) Tender skin, good flavour.

Morden Midget : \$3.25

Small plant, good for containers. Dark purple, golf ball sized fruit. Nice for roasting. Developed at the Morden Manitoba Research Station in 1958. (Rare) Approx. 50 seeds per packet.

Feb 20, 2015

Vegetables/Kale

Kale - Red Russian : \$3.25

Purple lined frilly leaves, good in salad mix when young and especially sweet and succulent after frost. Approx. 200 seeds per packet.

Vegetables/Leeks

German Winter Leek : \$3.25

Allium porrum Excellent flavour, broad leaf, winter hardy. Variety brought from a friend's garden in Germany. Approx. 175 seeds per packet.

Vegetables/Lentils

Black Indian Head (Beluga) Lentils : \$3.25

Lens culinaris. One of the oldest cultivated crops. Drought tolerant, productive.

Vegetables/Lettuce

Les Orelles du Diable : \$3.25

Les Orielles du Diable (DTM35) Very attractive long pointed burgundy rosettes, slow to bolt, interesting nutty flavour. Approx. 1 gram per packet.

Lettuce Mix : \$3.25

Four different colours, and six different leaf shapes, heirloom varieties. Approx. 300 seeds per packet.

Lilys Lettuce : \$3.25

Very rare from the early 1800's, Canadian heritage lettuce. Heavily blistered, nice tasty green crisp sweet frilly leaves. Recommended by our culinary staff. (Leaf lettuce) Approx. 300 seeds

Merlot : \$3.25

(60 Days to maturity) Deep burgandy leafed.

Parris Island Cos : \$3.25

Sweet flavor, crisp texture - romaine style. 10-12" tall, large heads with deep green leaves around a creamy yellowish-white heart. 68-75 days. Approx. 300 seeds per packet.

Feb 20, 2015

Vegetables/Lettuce

Red Deer Tongue : \$3.25

An old Amish heirloom lettuce. Long red triangular pointed leaves. Productive. Great texture and rich nutty flavor.

Red Salad Bowl : \$3.25

Red Salad Bowl (DTM 45-55) Leaf Lettuce. Red oakleaf, resists bolting.

Spring Lettuce Blend : \$3.25

Five great lettuces.

Strela Lettuce : \$3.25

Beautiful green star shaped rosette with attractive pointed leaves. Flavour is sweet and crunchy. Stands up well in summer heat. Pre 1500's heirloom.

Vegetables/Onions

Franz Bunching : \$3.25

Franz Bunching Onion, (*Allium fistulosum*) Large sweet bunching onion. Heirloom variety.

Welsh Onion : \$3.25

Welsh Onion Perennial bunching onion. Pungent, prolific.

Vegetables/Parsley root

Hamburg Parsley Root : \$3.25

Hamburg Parsley Root. (*Petroselinum crispum tuberosum*) Under utilized root crop. Sweet white carrot shaped roots. Grow like carrots. Excellent roasted, steamed, or as a flavour component of soup.

Vegetables/Parsnips

Guernsey Half Long Parsnip : \$3.25

As the name suggests, a shorter, stubbier root for heavier soils. Grown since the early 1800's, has broad shoulders, creamy, sweet root and is easy care once established.

Feb 20, 2015

Vegetables/Parsnips

Parsnip, Andover : \$3.25

Andover Parsnip (*Pastinaca sativa*) Excellent variety, sweet, stores well.

Vegetables/Peas

Sugar Snap : \$3.25

'*Pisium sativum*' @60 days to maturity Edible pod peas were developed in Europe in the 16th century. In France they are called 'mangetout' pois. Peas are a cool weather crop and should be planted when the soil can be worked in the spring in good compost for best development. Sugar snap peas are a vigorous vining pea and should be provided with a trellis to support 4 to 6 ft vines. Approx. 100 Peas per Packet.

Vegetables/Peppers

Alma Paprika Pepper : \$3.25

Heirloom, Days from Planting 70-80 Good for drying and making paprika. Thick rounded walls, productive plants. Sweet and slightly warm. Approx. 50 seeds per packet.

Black Pearl Pepper : \$3.25

(DFP 80) Black foliage and hot, hot fruit. Very striking as an ornamental or to spice up a salsa. Approx. 25 seeds per packet.

Cayenne - Joes Long : \$3.25

Great flavour, up to 12" long. Ripens to a deep red. Good heat. Approx. 25 seeds per packet.
